ROOFING & WATERPROOFING

ROOFING

Salomon's Roofing Division specializes in new construction roofing, re-roofing, repairs, and maintenance. Flat roof systems include: Built Up Roofing (BUR), Modified, Gravel, Coal Tar Pitch, and Single Ply Systems. Sloped roof systems include: Clay and Concrete Tile, Asphalt Shingles, and Standing Seam Metal Roofs.

Licensed, insured and bonded, statewide in Florida, we offer competitive pricing and unsurpassed service. Our roofing projects include:

- ▶ Commercial Office Buildings
- ▶ Shopping Centers
- ▶ Industrial Warehouses
- ▶ Residential Homes and Developments
- ▶ Condominium Communities
- ▶ Government Buildings
- ▶ Public Schools
- ▶ Medical Laboratories
- ▶ Airports
- ▶ High Rises
- ▶ Hospitals
- ▶ All Roof Coatings & Single Ply Systems

WATERPROOFING

Salomon's Waterproofing Division will make and maintain your structures and surfaces water resistant with the use of waterproofing membranes, specialty coating applications and sealants.

We are skilled and experienced in the waterproofing of:

- ▶ Balconies
- ▶ Pool Decks
- ▶ Planters
- ▶ Plaza Decks
- ▶ Rooftop Decks
- ▶ Dual Slab Applications
- ▶ Elevator Pits
- ▶ Garages
- ▶ Expansion Joints
- ▶ Coping Caps
- ▶ Parapet Walls.
