JANITORIAL SERVICES

HOSPITAL CLEANING

Servicing the needs of hospitals takes a skilled and experienced janitorial company like ABC International Cleaning Service. We are fully trained in the requirements of hospital cleaning and sanitizing. Our team can offer both the reliability and flexibility that are essential to maintaining a spotless environment within a medical facility.

We understand the importance of the fact that a life is born in a hospital and sometimes ends at the same place. It is one place that has to be clean and hygienic because of the users unhygienic conditions. ABC Restoration would be more than happy to clean every inch of your medical facility, with professional equipment and staff in place.

CRUISE SHIP SANITIZING

Certified by OSHA, our trained and uniformed employees are experienced in all aspects of Sanitation including Hospitals and Cruise Lines. Our Hospital type sanitation entails:

- Virox Liquid Cleaners
- Professional Foggers
- Professional Spray Packs

All supplies are labeled as Virox products and are provided with expiration dates and MSDS for safety. Our versatile staff range in numbers to ensure a thorough and deep sanitation of all Cruise Vessels, Homes, etc. Using only top of the line sanitation supplies and materials, our employees come highly equipped to accomplish any sanitation needs.

JANITORIAL SERVICES

OFFICE CLEANING

The services we provide will be absolute in tandem with your needs, keeping budget in mind. We value your relationship with us and so we have an eye for detail, which will help us clean your office lobby, common area, building and restrooms. Call us daily or weekly, during the day or night, you will always be our priority and our work will always be ahead of your expectations.

JANITORIAL SERVICES WE OFFER:

- Carpet Cleaning & Shampoo
- Tile & Grout Cleaning
- Marble Care Services

BUILDING MAINTENANCE

Our specialists use the highest quality equipment available and have gone through an extensive training process to restore anything that needs mending and maintaining your overall building. Try us with issues like loose door hinges, leaky pipes, ceiling tile replacements, broken desk drawers and doorknobs or any other defect.
