## TAKE STREAMING TO A WHOLE NEW LEVEL

Our exclusive DIRECTV Gemini Streaming Device brings together Live TV, streaming apps, On Demand content, and DVR recordings all in one place. Plus, voice control with our premium remote.

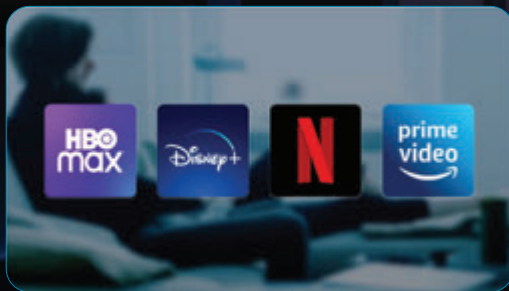

### Simple, straightforward live TV

Turn on the device and immediately tune into the last channel you were watching.

### Premium, full-featured voice remote

A backlit remote control with numbered keypad—but you can talk to it, too. Use Google Assistant to change channels, search for content & more.\*

### Access live TV & on demand all in one place

Access 7,000+ apps from the Google Play store, right alongside your live TV & DVR recordings.\*\*

### Built with the highest-quality TV in mind

Our Device switches channels quickly and delivers crystal-clear live streaming TV. Plus, you can stream in 4K on third-party apps, when available.†

**THE DIRECTV APP**  
*An Everywhere Amenity*

DIRECTV STREAM is an application your residents can use on their devices at home or while traveling.
