

MAKE YOUR INVESTMENTS STRONGER LASTING

SYSTEM OF SOLUTIONS TO REPAIR, RESTORE, & PROTECT

ADD APPEAL WITHOUT COMPROMISING DURABILITY

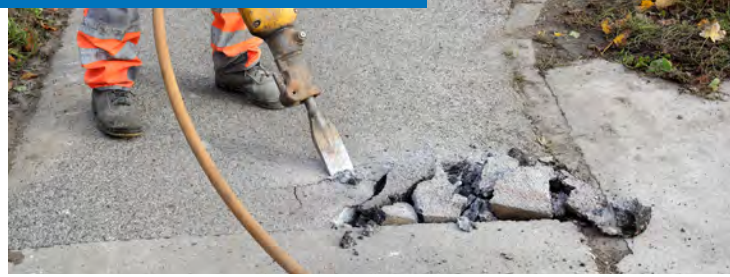

MORE PEACE OF MIND

Make the right choice when updating your space. ToughDeck & WallGuard eliminate the extra steps and costs associated with replacing or refinishing damaged property. With our quick turnaround time you can be back in service the same day—saving you time and money.

WHAT MAKES US STAND OUT?

- EXTREMELY DURABLE:** Abrasion and impact resistant
- SUPERIOR ADHESION:** Can adhere to almost any substrate
- LESS DOWN TIME:** Back in service the same day
- WATER RESISTANT & BREATHABLE:** Water resistant—but also allows transmission of moisture vapor
- FIRE AND CHEMICAL RESISTANT:** Withstands high temperatures and multiple chemicals
- SUPERIOR SUPPORT:** Assistance available for every step of the project

NO NEED TO REPLACE...

NO UNSIGHTLY PATCHING...

...THERE'S A BETTER SOLUTION!

PREVENTATIVE MAINTENANCE

ToughDeck & WallGuard are so versatile, you can tackle *small projects* before they become *big problems*.

FIX SAFETY HAZARDS

Stop putting off repairs before they become costly safety hazards. With low down time you're back in business the same day and looking as good as new.

LONGER LASTING

Protects against pool chemicals and de-icing salts! Strong and sound, ToughDeck & WallGuard provide a long lasting slip resistant surface in any temperature or climate.

COST SAVINGS

No need to patch or repair year after year—or replace completely. With a variety of finishes, get the look you want without the costs or maintenance.
