

# Total Cleaning

Company Overview

TotalCleaning.com

# Serving South Florida Since 1989

As a well-established commercial cleaning and disinfection company, Total Cleaning provides some of the most reliable janitorial, porter, post-construction, and medical/environmental services (EVS). We are proud of our exceptionally high client retention rate (98% YOY) and some of the industry's lowest employee turnover (48% for EVS). Our proven systematic approach gives peace of mind to hundreds of facility managers across various industries.

## Up-to-Date and Future-Focused

Our comprehensive treatment plans follow the most recent protocols and recommendations of health authorities and take into account the specific layout and use of every area in the building. We have carefully vetted and trained our various specialty teams.

## *Get the Immunity Boost Your Organization Needs!*

Total Cleaning offer expertise across the full spectrum of professional cleaning and disinfection services for public and commercial facilities. Besides the hands-on treatment, we offer consultation and training in protection from hygiene-related risks.

## We adhere to higher standards.

### Joint Commission on Accreditation of Healthcare Organizations (JACO)

Our goal is to help healthcare providers go beyond complying with JACO regulations. We conduct mock audits and provide oversight that helps healthcare providers build sustainable reputations for hygiene risk mitigation.

### The Agency for Health Care Administration (ACHA)

ACHA is the chief health policy and planning entity for the state of Florida. We relieve healthcare facilities of the responsibility and liability when complying with ACHA regulations. We put in place the necessary controls to prevent or respond to disease outbreaks.

### International Sanitary Supply Association (ISSA)

Is the leading worldwide association for the cleaning industry. We advocate for a greater appreciation of commercial cleaning as an investment in human health, the environment, and an improved bottom line.

# Total Means Total

We provide a **FULL SPECTRUM** of cleaning, disinfection, and hygiene risk management solutions for virtually all types of facilities. We strive to deliver the highest quality of services for all of our clients. So, when we say Total Cleaning, we mean it.

## HYGIENE RISK MANAGEMENT

We offer a system of proactive, planned, and ongoing efforts to prevent or mitigate infection-related crises that could affect people, buildings, and an organization's wellbeing.

## PRO DISINFECTION

Our specially trained staff is applying EPA-safe materials, the latest technologies, and updated protocols to satisfy the increased disinfection and sanitization standards.

## MEDICAL CLEANING / EVS

We take charge of cleaning and disinfection so healthcare professionals can focus on their patients. Our approach integrates the latest technology, equipment, science, and protocols.

## JANITORIAL & PORTER SERVICES

Standard janitorial cleaning services are no longer sufficient to protect lives and livelihoods. We offer an enhanced janitorial solution that employs science-backed cleaning and disinfection techniques.

## POST-CONSTRUCTION CLEANING

We know what it takes to get a building ready for a grand opening or move-in ready. We offer rough, final, and touch-up cleaning services for new construction, tenant improvements, and renovations.

## SPECIALTY CLEANING

### · EXTERIORS

We offer a full range of exterior cleaning services like power washing, porter, trash hauling, and handyman services.

### · FLOORS

Our highly trained and certified floor technicians can restore, protect and maintain the beauty of your floors.

### · WINDOWS

We've been cleaning windows, awnings, doors for small storefronts to large commercial complexes for the last 30-years.

Making your environments look cleaner and feel safer has always been a tangible value we deliver to our clients. Proactive mitigation of health hazards brings a new sense of urgency to our role – protecting lives and livelihoods. Total Cleaning provides the immunity boost your organization needs to maintain efficient operations.

## Certifications

Our Occupational Safety and Health Administration (OSHA), Global Biorisk Advisory Council (GBAC), and ISSA's Cleaning Management Institute (CMI) certifications demonstrate a commitment to superior professionalism, upholding industry standards, and continued learning.
