UMBRELLAS & BASES

Among our full line of shade products - from traditional Garden models to contemporary Cantilever styles, we manufacture umbrellas that meet your design, size and finish needs and can customize the canopies to enhance your outdoor décor.

MARKET

A popular, budget friendly model for in-table use from backyards to restaurants. Two piece pole with multiple lift options.

LUCAYA

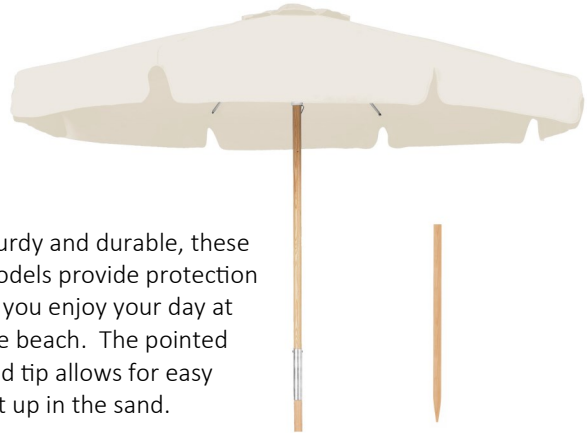

This in-table and freestanding model features a one-piece pole, comes in six finishes and compliments outdoor spaces from pool decks to dining areas.

BRIDGEWATER

For in-table or free-standing applications, these FiberTeak™ simulated wood poles come in three woodgrain finishes and coordinate with many casual furniture styles.

BEACH

Sturdy and durable, these models provide protection as you enjoy your day at the beach. The pointed end tip allows for easy set up in the sand.
