

Comprehensive Property Management Solutions

Haig Service Corporation sets the standard in Property Management and PropTech Solutions. Delivering seamless, technology-driven solutions for condo boards, multi-dwelling, and multi-residential properties, we empower property owners to manage efficiently and confidently.

Discover more at haigco.com

Our Key Services Include:

- Maintenance and 24/7 Support: Comprehensive care to ensure your property is safe, compliant, and fully operational.
- Dedicated Condo Board Assistance: Tailored support for board members to simplify governance and decision-making processes.
- Tenant & Facility Management: Streamlining communications and improving tenant experiences.

Why Choose Haig:

- Expertise in managing complex, multi-unit properties
- Dedicated account managers for personalized service
- Proactive maintenance strategies to minimize disruptions

PropTech Solutions for Efficient Property Management

Empowering Condo Boards and Property Managers with Advanced PropTech

Improving building operations and tenant satisfaction, our technology solutions offer condo boards and property managers real-time control and oversight.

A Seamless Approach to Complex Property Needs:

- Real-Time Monitoring
- Customized Maintenance Programs
- Instant Alerts and Insights
- Safety & Compliance

Our PropTech solutions streamline the operational complexities of multi-dwelling units, allowing condo boards and property managers to maintain safe, efficient, and attractive properties that tenants value.

Your Safety is our #1 Priority

At Haig Service Corporation, we merge technology and expertise to provide top-tier property management solutions that improve operational efficiency, tenant satisfaction, and long-term property value. Serving clients across New Jersey and beyond, Haig is a trusted name for managing multi-dwelling units and large-scale multi-residential properties.

Keep All Secured & Protected

With a client-first approach and a commitment to excellence, we help property managers and board members elevate their property's performance and tenant satisfaction.
