*"A JOB ISN'T COMPLETE
UNTIL EVERYONE IS SATISFIED"*

ABOUT US

Hardrives, Inc. is recognized as one of the largest, longest running and most trusted family owned paving companies in South Florida.

Hardrives has contracted at state and private levels, serving Broward, Palm Beach and Martin Counties and is considered a premier contractor.

ALL SUCCESSFUL PROJECTS are achieved with superior management. Our Project Managers, Superintendents and Crews have decades of experience, combined with unparalleled customer service and valued engineering capabilities. Hardrives provides timely proposal submissions, including cost cutting options as well as comprehensive scheduling and prompt progress reporting to our clients.

ASPHALT RESURFACING

As a Heavy / Highway Construction leader, Hardrives can complete any size job. State agencies, municipalities, condominiums, property management companies, country club and homeowner associations have contracted with us repeatedly.

Our skilled crews and extensive fleet of equipment ensure your job is completed on time, and within budget.

CURB & CONCRETE WORK

Curb and concrete work go hand in hand with asphalt paving. Hardrives combines this dynamic duo and delivers it all. Inhouse skilled curb and concrete crews and quality equipment ensure your project will be per plans and specifications.
