## SCHOOL CLEANING

### THE GERMIEST PLACE AT A SCHOOL IS THE CAFETERIA TABLE

Parents quickly evaluate educational childcare facilities based on appearance. It's one of the first things they consider when choosing a school or daycare facility for their child. Make a good first and lasting impression with Milclean.

### MAKE AN IMPRESSION ON PARENTS

A clean educational or childcare facility promotes a healthy learning environment. Sticky tables, dirty floors and smelly restrooms can be a distraction. Children pay attention to their schoolwork, and teachers focus on their lesson plan instead of worrying if the classroom is clean and disinfected.
