ABOUT US

From your home to your business, Fibernow is dedicated to exceeding customer expectations with exceptional service and technology. Count on us to provide solutions that drive success in today's technology.

Fibernow, previously OpticalTel, is now part of the diverse and continuously growing DigitalBridge portfolio.

DigitalBridge is a leading global alternative asset manager dedicated to investing in digital infrastructure. With a heritage of over 25 years investing in and operating businesses across the digital ecosystem, including cell towers, data centers, fiber, small cells, and edge infrastructure, the DigitalBridge team manages over \$84 billion of infrastructure assets around the world.
