

# All-in-One HOA Management Billing and Payments

## SEND BILLS

Paydici consolidates all your billing operations and offers a built-in strategy to migrate homeowners into a paperless environment, saving you time and money.

## PROCESS PAYMENTS

Paydici processes all payments, including lockbox, into one file for your accounting software. Our online portals allow for self-service and autopayments, decreasing customer support.

## AUTOMATE A/R

Paydici's removes the need for multiple billing and payment vendor relationships. This also means increased efficiency, less errors and ROI for your back-office operations.

- ✓ Paydici is a next generation billing and payments platform for HOA Management
- ✓ We modernize your cash flow process to get paid faster
- ✓ We eliminate manual, time consuming and inefficient processes for billing and collecting payments
- ✓ We provide peace of mind: manage your accounts receivable with a click of a button
